Re: *Judge Edirin O. Okoloko*
Snohomish County Superior Court

To Whom it May Concern

With pleasure and enthusiasm, the attorneys of Brewe Layman, P.S., endorse Judge Edirin O. Okoloko in his upcoming election to retain the judicial seat he was appointed to in September of 2018.

We urge you to carefully review the extensive endorsements Judge Okoloko has received at his website: <https://www.judgeokoloko.com/>.

In addition to all of the current judges of the Snohomish County Superior Court and nine (9) retired Snohomish County Superior Court judges, he has received endorsements from seventy (70) current and retired judges throughout Washington State.

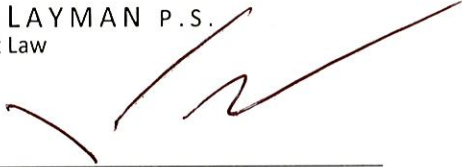

His credentials are as impressive as the breadth of his endorsements.
